

HARMONY BAPTIST CHURCH

Monroe, GA

CHILD PROTECTION POLICY

It is one of our supreme duties as a church to work hand-in-hand with parents to take God's precious gift of a child and to teach them to know and love God. Through our children's ministry, we have a sacred task to help these young feet to find the path of faith, trust, justice, honor and righteousness. In these formative years, it is our pledge, to both God and parents, that from our example and our actions, children's lives will be blessed and like Jesus, they will grow "in wisdom and stature and in favor with God and men".

Harmony Baptist Church is committed to providing an environment which is as safe and secure as possible for children and youth who attend the church or any church-sponsored programs or activities, and to take the necessary precautions to protect church leaders from accusations or suspicions. Church leadership recognizes the need to have formal, written policies and guidelines in which opportunities for abuse and neglect are minimized by providing proper enlistment and supervision of those persons working with our children and youth. The following procedures are not based on a lack of trust in a particular worker but instead are needed to protect our preschoolers, children, youth, employees, volunteers and the entire church body.

I. DEFINITIONS

- A. A minor is any person under the age of eighteen (18) years of age and may also be referred to as a preschooler, child or a youth.

Maintaining confidentiality of the background checks and other confidential information provided by the volunteers and applicants is a key requirement of this team. The team members will serve as permanent members until the church is in a position to assign these duties to a paid pastoral staff person. When a team member resigns or is discharged for cause from the team, the deacons will appoint a replacement from a list of possible candidates provided by the Pastor.

II. PROHIBITED BEHAVIOR

- A. The following behaviors are prohibited for all paid employees and volunteers:
 - 1. Threatening or intentionally inflicting physical injury upon a minor.

All workers currently actively serving in the preschool, children and youth ministries will be exempt only from the personal interview process in view of their already acceptable service in these areas. All volunteers and workers, paid or unpaid, must complete orientation/training on child protection and abuse. Documentation of this training will be kept on file. Criminal background checks will be repeated every 3 years and Harmony Baptist Church reserves the right to conduct a criminal background check on any worker at any time while serving in any capacity at HBC, whether in a paid or volunteer position. A list of those persons approved for service will be maintained by the Child Advocacy Team and made available to ministry leaders upon request.

IV. GUIDELINES FOR VOLUNTEERS & STAFF OF PRESCHOOL AND CHILDREN'S PROGRAMS

A. Volunteer & Staff Conduct

1. Under no circumstances, shall a volunteer or staff member be alone with a child behind a closed door. Two mature, responsible adults must always be present in each room where children are present.
2. Classroom doors without glass inserts should be kept open whenever possible or, in the case of rooms with Dutch doors, the top half of the door should be kept open.
3. Classes shall remain in the assigned spaces. If there is to be a change, the ministry leader responsible for that particular ministry area must be informed and approve the change.
4. Each room shall maintain a sign-in-sheet or class roll. Any special information provided by the parent shall be kept on the proper form. This sign-in-sheet and/or class roll should be taken with the class in the event of a fire or other emergency requiring the evacuation of the room so that attendance can be taken after the evacuation.
5. Care should be taken by volunteers so that young children do not leave the classroom unattended.
6. Classroom doors should never be locked while occupied.

7. Volunteers should always wear their assigned name tags while on duty.
8. With preschool and kindergarten children, only a parent/guardian or other person specifically designated by the parent/guardian may pick up preschoolers. No one under the age of eighteen will be permitted to pick up a child. Parents/guardians are requested to provide the Pastor or Director with any special information regarding a possible child custody dispute where leadership should pay particular attention to who picks up the child.
9. Preschool children under five (5) years old will be required to wear a name tag to allow easy identification.
10. Touching to comfort or affirm a child in an age-appropriate manner is permitted. Children in first grade or older should not sit in the lap of volunteers. Volunteers shall not touch children in genital areas except as necessary to change a diaper or to assist a child in the bathroom as noted below.
11. Precautionary measures for dealing with dirty diapers, blood, vomit and the like, such as the use of protective gloves should be communicated to the volunteers. Any items needed for the precautionary measures will be provided by the church.
12. Either male or female volunteers may change diapers if it is done in open view.
13. Male volunteers are allowed only to take boys to the bathroom and are not permitted to use the bathroom themselves when taking the children. When a child is taken to a bathroom outside the room, someone must check the bathroom before the child is permitted to enter to ensure it is safe. School-age children through grade 5 shall go to the bathroom in pairs and be directed to remain together. A teacher will watch from the door and request assistance from another adult if the child needs help while in the bathroom.
14. All but one entrance door in the Fellowship Hall and Genesis building will be locked while children are present in the building during the worship hour. Only the front main entrance doors and the main office doors of the sanctuary building will be unlocked during the worship service.

B. Discipline of Children

1. Physical discipline, such as spanking, is never permitted. Using physical restraint to prevent a child from doing something disruptive or dangerous is permitted and may, in some instances, be necessary. Affirmation and encouragement is always appropriate.
2. The behavior of a child who is a constant disruption to a class should be discussed with his or her parents and the Pastor or Director. In appropriate circumstances, the parents can be asked to attend class to observe or control the problem behavior. If the behavior persists, the child may be removed from the class. A child who is a danger to other children shall be removed immediately.

C. Communication with Parents

1. Volunteers should attempt to keep open lines of communication with parents.
2. All children who attend must be registered. The registration form will include information on special needs, disabilities, and medications such as an inhaler for asthma, EPI pin, etc. and will be updated annually or as circumstances necessitate.

3. Parents shall always be permitted to observe a classroom, if done through the glass door, although the parent may be told that his or her presence may be disruptive to the child. Parents may enter their child's room with the approval of the Pastor or Director of that ministry area.
4. Parents should be given a summary of the guidelines which have an impact on them.
5. Parents shall be clearly advised as to where to report suspected abuse or other concerns regarding a classroom situation and be assured that they will not be retaliated against for making a report.
6. Parents should be encouraged to pick up their preschool children no later than ten (10) minutes after the service or event is over unless special arrangements are made with the ministry director or teachers in charge of the service or event.
7. Parents should be encouraged to change diapers and take children to the bathroom before class.
8. Under no circumstances should parents leave a child if the child has a fever or other severe illness.
9. Parents must advise the volunteers if the child is on medication.
10. Parent Responsibilities. Any child on the church premises is assumed to be present to participate in programs or activities scheduled for his/her age group. Church workers and teachers will assume supervision and custody of a child only when he/she is in the designated area for such program or activity. Parents or guardians are responsible for the supervision, custody, and control of their children at all other times, including, but not limited to, whenever a child is given permission to leave early from, or not to attend, a church program or activity. Parents should keep children with them if they are not in an activity or program supervised by church workers or teachers. Unsupervised children should not be left unattended after programs or activities have ended to wait for a parent or guardian who is not on the church premises. Parents should remember that the goal of HBC's Child Protection Policy is the protection of our children and families, our Church employees, workers, teachers, and staff, and our entire Church family, and achieving this goal requires the involvement and commitment of every member of HBC's congregation.

D. Staffing of the Children's Program

1. There shall be a minimum of two (2) adult screened volunteers assigned to each class, and a minimum of one (1) assigned to each "break-out group" which is part of a larger class. In preschool rooms, at least one (1) of the volunteers must be female.
2. Our goal is to have a ratio of volunteers-to-children of not less than 1:10 for preschool classrooms and 1:10 for school-age classrooms.
3. During any event there shall always be a screened worker on duty making roving checks of all classrooms from time to time.
4. Teenagers between the ages of fifteen (15) and eighteen (18), who have undergone the screening process in section III of these policies, may assist under the direction of screened adults.
5. To ensure that there shall be sufficient substitutes available when the regular volunteer cannot attend, parents should be encouraged to undergo the volunteer screening process to be available on a standby basis.

V. GUIDELINES FOR VOLUNTEERS OF YOUTH PROGRAMS

A. Physical Contact

1. Inappropriate displays of affection are unacceptable. Affection shown should be such that a reasonable and prudent person would consider it appropriate.
2. Side-by-side hugs are recommended between workers and youth in lieu of full body contact. Touching need not be completely avoided, but staff and volunteers must be aware of how it looks and how the person being touched may interpret the contact. Unwelcomed touching of any kind is not allowed.

B. Staffing Considerations for All Activities and Events

1. A minimum of two screened adult workers are required to be present for all activities. A specific ratio of leaders-to-youth is not suggested; instead, the ratio should be appropriate for the activity being undertaken.
2. Any one-on-one meeting involving an adult and youth must be conducted in view of another screened adult through an open door or window.
3. One-on-one meetings of any kind outside the church facilities should not occur.

VI. GUIDELINES FOR VOLUNTEERS OF ALL PROGRAMS INVOLVING MINORS

A. Driving Rules

1. Only qualified, screened adults may drive. All drivers must have a valid driver's license and auto insurance. The number of persons per vehicle must not exceed the number of seat belts, and all occupants must wear seat belts.

3. A minimum of two screened adult workers be present in all vehicles.

B. Overnight and Trip Rules

1. Written Permission and Medical Consent Forms must be completed prior to the trip. The total number of adults on each trip must be adjusted according to the requirement of the planned activities. Two or more children of the same gender may sleep in the same room without an adult being present. If adults are to sleep in the room with children, there must be a minimum of two screened adults of the same gender as the children. However, an adult may share a room with his/her child(ren) alone.
2. All Children and workers/volunteers are to be instructed to remain in the assigned group area or room and not to leave without permission of the ministry leader.
3. The two adult rule (see section IV, A) must be followed throughout the trip.

VII. REPORTING AND INVESTIGATIONS

All volunteers and employed children or youth workers shall immediately report and document any incident of abuse or violation of the two-adult or open door policy of which they have knowledge or which they have observed. Any person making such a report shall keep the information strictly confidential.
2. Although most church staff members and volunteers are not required by law to report suspected child abuse, it is the policy of Harmony Baptist Church to file a report with the appropriate authorities when there is reasonable cause to believe that a child has been abused.
3. Certain individuals, by virtue of their profession, may be legally required by law to report suspected child abuse. (O.C.G.A. §19-7-5 contains a complete list of mandatory reporters)

After the safety of the alleged victim has been secured, the person witnessing the incident of abuse shall report it as outlined above.

E. Obligation to Report to the Child Abuse Investigators

3. Select outside Legal Counsel (if necessary) who will be present with the spokesperson while answering any investigative questions from the police or social service agencies.
4. Use text or prepared public statement to answer press and inform congregation. At all times, the church will maintain the privacy and confidentiality of all those involved.
